MSFC Expenditures in Alabama Total \$768 Million in FY 1997

Marshall contributed \$768 million to Alabama's economy during fiscal year 1997. That includes \$223 million in salaries for civil service employees and \$545 million for procured services, contractor support, local construction and activities performed for other agencies. Approximately \$65 million was paid in retirement annuities, with \$38 million going to retirees living in Huntsville.
